

Version: 24.08.24 (Flight Sim Use Only)

Notam:

VCBI_APP position serve both VCBI & VCRI arrivals and departures.

An aerial photograph of an airport. The central feature is a long, white terminal building with a jet bridge extending from it. Several commercial aircraft are parked at the gates. To the left of the terminal is a large, paved apron area with several smaller aircraft parked. To the right of the terminal are two long, parallel runways. The surrounding area includes green grass, parking lots, and some buildings. The sky is clear and blue.
